8th Grade Send Off Committee Report

Big thank you to everyone who has helped with emails, coordinating the finances over this year, current plan for this year was the plan 2 years ago that was canceled..

KingPins does a great job and its a great opportunity for these kids who haven't had many field trips. - June 15th leave ~9:30 and return ~1:30-2. Lots of allergy free food as an option to the the regular food. Party is covered and now working to raise the remaining money for buses and t-shirts for the whole class.

Volunteer shifts went live today with some filled in advance by early volunteers. Go there soon as they usually fill quickly.

Encouragement to the incoming chairs was given

Great to have multiple chairs to provide different viewpoints and cover the work over the year of planning.

Serious-side need a payment for shirts in the next day or two in advance of processing the order.
